## General Notes:

Inspector Statements should never be blank, though several were. Election inspectors should make it a habit of recording reconciling throughout the day, even when the day is slow.

In order to have a continuous tape from opening of polls to closing of polls the Zero Report should not be torn off. THREE signatures are required at the opening and closing of polls. If three signature lines do not print, the poll was opened incorrectly.

REMINDER: Chief Inspectors are in charge on election day. Municipal clerks should never take on that responsibility, but should be available to answer questions, provide supplies, and support.

Poll workers should not discourage voters from using the Clear Access machine.

Respectfully Submitted

Lee Anne Gilson, Deputy Clerk
