Sheboygan County Board of Supervisors
c/o County Clerk Jon Dolson

Dear Sir or Madam:

Earlier this month, at the Wisconsin Towns Association Annual Conference, I was made aware of an attempt to make last-minute changes to the County's redistricting plan, as communicated to the various County municipalities via County Resolution #21.

All towns have by now passed their own redistricting resolutions implementing the County's redistricting plan. In good faith we authored, passed, and properly noticed our resolutions prior to the date of October 19th, as specified in County Resolution #21. I submit to you that it is now too late to make changes that will require a number of towns to expend time and effort to author changed ordinances and complete the administrative requirements for public notice, passage and legal public notification.

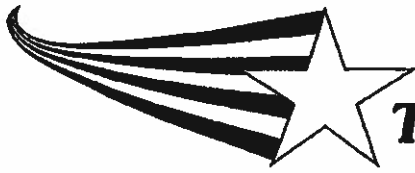

Absent a compelling public need, directly impacting the rights of those we represent, I strongly and respectfully request the Sheboygan County Board approve the Tentative Redistricting Plan as presented to the municipalities as the permanent County Redistricting Plan.

Sincerely,

George J. Marthenze, Town Chairman

October 25, 2021

Chairman Koch,

As part of the 2021 Non-Partisan Redistricting, the Town of Sheboygan Falls Town Board reviewed Sheboygan County's Resolution No.21 2021/2022 and unanimously supported the County's Tentative Supervisor District Plan by approving the Town of Sheboygan Falls Resolution #4 2021/2022 on October 4, 2021. Based on our updated population change the Board was able to keep the same Town Ward boundaries with populations between the 300-1000 target; with a few changes proposed for the County Supervisor Districts within our Town. Creating a third County Supervisor District within the Town of Sheboygan Falls would increase election costs by requiring more programming of equipment and more ballots. The Town of Sheboygan Falls already has 5 different ballot styles because of the existing school district / County Supervisor district combinations. Changes can also cause confusion for voters so keeping those changes to a minimum is important unless there is a dire need.

I respectfully request the County Board consider the time & effort all jurisdictions have already done in respect to the 2021 Redistricting process. I ask the County Board to adopt the Tentative Supervisor District Plan as presented in Resolution No. 21 2021/2022, supported by Town of Sheboygan Falls Resolution #4 2021/2022.

Respectfully submitted,

Jeanette M Meyer
