Sheboygan County Property Committee,

At Partners for Community Development, Inc., we are committed to helping families across Sheboygan, Manitowoc, Kewaunee, Door, Ozaukee, and Milwaukee counties create warmer, more energy-efficient homes. Through the Weatherization Assistance Program, we provide free home improvements to eligible renters and homeowners—reducing energy costs, easing financial stress, and improving overall comfort.

Each October, we recognize National Weatherization Month by raising awareness of energy efficiency and the resources available to local households. As part of this effort, Partners hosts a free community Trunk or Treat Resource Fair in Sheboygan.

We are planning our 2026 Trunk or Treat event on Saturday, October 24 from 1:00–3:00 PM and would like to request use of the Health & Human Services parking lot once again. This location has proven to be an ideal venue for the event.

In previous years, we have partnered with local fire and police departments, radio stations, and nonprofit organizations to provide resources, candy, games, and entertainment. Last year alone, the event welcomed over 500 attendees. Our goal is to create a fun, family-friendly environment where community members can celebrate the season while learning about available local resources.

Given the success of past events, we believe the Health & Human Services parking lot plays a key role in making this event accessible and impactful. We appreciate your consideration and hope to continue this tradition in 2026.

Please let us know if you need any additional information.

Best regards,

Julie Kracht
