The Sheboygan County Land Information Council convened at 8:30 AM with Chairman Aaron Brault presiding. Chairman Brault stated that the notice of the meeting was posted on June 7, 2023 at 9:00 AM and in compliance with the open meeting law.

Mr. Steinhardt made a motion and Mr. Hildebrand seconded the motion to approve the minutes of the February 21, 2023 meeting. Motion carried with no opposition.

Review and Possible Consideration of 2024 Budget Requests. The total budget requests exceeded the total budget by about \$50,000. Mr. Brault went through the requests of each department. There were two public access requests, and he noted that the smaller of the two will be covered by the public access fund account as there is not enough in that account to cover both. The other will come out of the general deferred account. Ms. Henning-Lorenz noted that for project 181-25 they only need a down-payment this year, not the whole amount which would make up the shortage. Mr. Steinhardt motion to alter the request to \$50,000 for project 181-25 and move the remaining balance (\$52,820) to cover the budget shortfall. That balance would be returned to complete the project 181-25 when needed. Ms. Schleicher seconded. Motion carried with no opposition.

Update on Previously Approved Projects and Grant Awards. Mr. Fazer gave an update on the drone program. Mr. Hildebrand gave an update on the road right of way project that was started last year.

Mr. Steinhardt motioned to adjourn meeting. Supervisor Bosman seconded. Motion carried with no opposition. Meeting was adjourned at 9:02 AM. Next meeting is to be determined.
